

Essex County Fall School Safety Conference Prevention Strategies and Planning: Bullying, Cyberbullying, and School Violence

Thursday, September 30, 2010
8:00 a.m.—2 p.m.
Peabody Marriott
8 Centennial Drive
Peabody, MA

Registration is available now!
Space is limited!

When Rosalind Wiseman first published *Queen Bees & Wannabes*, it fundamentally changed the way that adults look at girls' friendships and conflicts. From how they choose their best friends, how they express their anger, their boundaries with boys, and their relationships with parents—Wiseman showed how girls of every background are profoundly influenced by their interactions with each other. Now, Wiseman has revised and updated her groundbreaking book for a new generation of girls and explores:

- The different roles girls play in and outside of cliques as Queen Bees, Targets, and Bystanders, and how this defines how they and others are treated
- Girls' power plays—from fake apologies to fights over IM and text message

A full brochure with additional speakers to follow!
